

Plainfield Blandford – December 2021

Eversource has completed the dynamic analysis and presented the study results to group members on November 15th. Eversource is now reviewing the pricing of the mitigations presented and compiling the impact study report.

Eversource's intention is to keep all customers regularly informed (at least monthly) on the progress and discuss any significant risks or concerns Eversource encounters during the analysis. Factors that may impact the completion schedule and associated activities include but are not limited to: base case modeling issues; DER stability model issues; solution development for potential adverse system impacts; and/or significant Member Impact changes requiring review.
